Rehabilitation of the Ex-Servicemen of Demobbed Units of the Mysore State Forces.

The *Ad-hoc* Committee, constituted by the Government of Mysore, for the drafting of the schemes for the rehabilitation of the released personnel of the Mysore State Forces, have, at their last meeting held on 3rd May 1951, decided to recommend to the Government the following schemes and forms of assistance:—

(1) The establishment of a General Motor Transport and Servicing Co-operative Concern at Bangalore with provision for repair and maintenance of automobiles and tractors, running of one or two bus lines and for maintenance of a fleet of taxies and auto-riksha service at an approximate investment of about Rs. 6,00,000.

(2) The establishment of Motor Vehicle and Tractor repair and maintenance workshops in the District Headquarters of Bangalore, Mysore, Shimoga and Chitaldrug, with an approximate investment of Rs. 6 to 8 lakhs. These are proposed to be started on a co-operative basis.

The initial finance is to be provided by the Government, part of which would be outright grant and the balance as loan recoverable in easy instalments.

The details are being worked out and comprehensive schemes will be submitted to the Government of India for sanction of necessary funds.

(3) Two land colonisation schemes to absorb 200 to 250 men, in Shimoga District and in Hunsur Taluk, Mysore District. For the men who join up these schemes, lands will be given free of cost and additional facilities up to about Rs. 2,500 per family will be provided for, and a portion of this would be outright grant and balance to be recovered in easy instalments. Further educational and medical facilities also will be provided for by the Government. These settlements will be provided with all facilities to become self-sufficient units as far as possible.

(4) Smaller units of settlements on land on approximately the same basis at other places where land is available is also being considered.

(5) *Technical Training*:—For those coming up for technical training, the Committee has decided to recommend assistance up to Rs. 1,000 per ex-serviceman half of which would be given as stipend during training period and the balance would be paid as equipment grant after the completion of the training and further assistance and help to start on their own. For those who are absorbed into regular employment after their training, an outfit grant of Rs. 100 is to be recommended.

(6) For individual business and trade to be started by ex-servicemen, it was decided to recommend concession similar to those offered to refugees involving financial assistance of Rs. 500 to 1,000 depending on the merit of each trade or business.

(7) *Miscellaneous form of assistance*:—It is proposed to give a few licenses for retail cloth shops and for running one or two hotels in Bangalore and Mysore, the financial assistance depending on the number of ex-servicemen absorbed and on merit of each case.

So far, over 100 ex-servicemen and 14 cadets have been absorbed in the Police Department and about 100 more have been absorbed in the various Government and private industrial concerns. Several private industrial concerns have come forward to give technical training and have offered to absorb trained men later in their concerns. Arrangements are also being made for training and subsequent employment in the Mysore Iron and Steel Works, Bhadravati, and other Government industrial concerns and training institutions.

All the recently released officers and men of the Mysore State Forces, who have not yet registered their names, are requested once again to do so, immediately for the various schemes at the Office of the Assistant Director of Rehabilitation of Ex-Servicemen of Mysore State Forces, Hebbal, Bangalore 6.

The co-operation of all businessmen and industrialists in the State is invited in this urgent and important task of rehabilitating the ex-officers and men of our army.
